Dear Athletic Director:

At the July 31, 1987 New Mexico High School Coaches School held in Albuquerque, the coaches in attendance formed a New Mexico Track and Cross Country Coaches Association. This association is in conjunction with the New Mexico High School Coaches Association. The NMHSCA dues for the year are \$20.00; this organization must be joined first by coaches. The NM Track and CC Coaches Association dues are 10.00 for the year.

We are hoping to accomplish a boys and girls "All-Star" or "Meet of Champions" one week after the AAA/AAAA State Meet. It would include athletes from A, AA, AAA, and AAAA. The same rules as football, basketball, volleyball, etc. will apply; therefore, if a coach has a qualifier, the coach must belong to the associations before the athlete can compete.

Other goals of our association include unification and better communications between all track and cross country coaches. We have started a newsletter, and we would like for it to reach every coach. We cannot do this without your help. PLEASE send me a list of all of your track and cross country coaches' HOME addresses and HOME phone numbers so they can receive a newsletter and important information and a survey regarding next year's clinic to be held in Las Cruces. Also, please xerox this letter and give a copy to each of your coaches. Even if you have unfilled positions, please send your list immediately.
